Matters Arising:

BT Southern Director

Marion Florence from Sorell has indicated an interest in filling the vacant female BT Directors position. Shirley Hay undertook to follow this up with Marion.

Umpire Accreditation Courses

No response has been received from BT regarding a recommendation that the personnel previously approved to undertake umpire accreditation courses be permitted to continue to do so until new presenters are in place by 1 January 2015.

OPSM Sponsorship

BT has advised that hats have been distributed to regions at an appropriate ration to the number of umpires in each region. There is no provision to provide more hats. Accordingly hats will not be provided to all umpires.

Format of Pennant 2014-15

It was agreed to defer a decision on this matter until the next meeting. The Secretary undertook to circulate to Board members results of the responses from Clubs and the recommendations from the BT Board on this matter.

Pennant games at the Kingborough Indoor Bowls Centre 2014-15

The BTS Executive met with the Kingborough Bowls Club Executive on Monday 3 March 2014 to discuss this matter. KBC is keen to use the Kingborough Indoor Centre to promote the Centre and the game of lawn bowls and would like to roster a number of pennant games in the Centre in 2014-15 at a time other than current normal playing times - for example a Friday or Saturday night. The BTS Executive supported the idea of amending Conditions of Play in 2014-15 to allow flexibility of when pennant matches could be played, however, the opportunity should be extended to all BTS clubs and not just matches at the Kingborough Indoor Centre. Perhaps in 2014-15 this should just involve A Grade or even just Division One matches? The BTS Executive agreed that it was up to KBC to get one or more clubs on board for the 2014-15 season before June 2014 so that BTS could build any such changed days or playing times into the roster when it is drawn up. The actions of the BTS Executive were endorsed by the Board.

Kingborough is interested in having more BTS Championship games allocated to the Kingborough Indoor Bowls Centre. KBC believe that the Centre should also be used more for BTS Championships when weather intervenes. It was resolved that this should happen and a recommendation accordingly should be made to the incoming Men's and Women's Match Committees.

Abuse of Official at BT Men's Singles Championship

The Board considered a report submitted by the Disciplinary Committee set up to consider the abuse of an official by Josh Baker at the BT Men's Singles Championship in January 2014. Josh has accepted that he should not have abused the official and has apologised for his actions. He has written an apology to BTS and has requested that this apology be forwarded to the official concerned. It was resolved to accept the Disciplinary Committee's recommendation that Josh Baker be formally reprimanded for his behaviour and that no other action be taken against him. It was further resolved that BT and the official concerned be advised of the outcome.

Condition of Greens

At the last meeting, it was agreed that the Howrah green should be inspected by the BTS Greens Committee Chairman before any finals are allocated to the green. The BTS Greens Committee Chairman was subsequently also requested to inspect the Glenorchy RSL green.

The BTS Greens Committee Chairman inspected both greens on 25 February 2014. The Howrah green was timed as running at 12.5 seconds, there was little deviation of the bowls in motion, the surface was in reasonable condition and had recently been groomed. Although the surface was not of a very high standard the Chairman advised that there are insufficient reasons to deny Howrah the use of the green if one of their teams finished on top of the ladder in a lower division, however, he would not recommend its use for any other finals. The Chairman reported that the Glenorchy RSL green is in a poor condition and should not be used for pennant games next season until it has been approved for use. Moved Jan Booth Seconded Grant Allford that the Secretary write to Glenorchy RSL and advise them of the results of the green inspection and further advise the Club that the green must be inspected and approved before pennant games will be permitted to be played on the green next season. Annual General Meeting

Sandy Bay has confirmed that it will host the Annual General Meeting which will be held on Sunday 25 May 2014 at 2pm.

Glenorchy Rodman and Pennant Finals

Glenorchy Rodman previously raised concerns at the spread of dates for the BTS Saturday finals this year and has suggested that the Preliminary Finals be played on Sunday 16 March and the Grand Finals be played on Saturday 22 March 2014. Glenorchy Rodman may have had three men's teams finish on top of the ladder and doesn't have room to play all three games at home at the same time and was seeking to have one of the three games rescheduled to either a Friday night or Saturday morning if that happens. Both these matters were referred to the BTS Men's Match Committee for its consideration. The BTS Men's Match Committee agreed to leave the current finals dates as scheduled. Glenorchy Rodman only had two teams finish on top of the ladder so no decision was required to have one of its home games rescheduled.

BT Women's Championship Challenge

At the Regional Consultative Committee meeting on the 24 February 2014, BT gave approval for the Championship Challenge events to be played in conjunction with the Champion of Champion Singles and Pairs in the South. BTS will host the Open and Minor Triples, the Open and Minor Fours as well as the Over 60's and has invited both the North and North West to participate. These events will commence on Sunday 6 April 2014 at the Rosny Park Bowls Club.

Closure of BTS Umpires Bank Account

At the last meeting, it was agreed to close the BTS Umpires bank account and transfer any funds to the BTS General Account. This has not been done as the Treasurer has reconsidered this matter and believes that the bank account should remain open but with a float of just \$250. It was agreed to re-consider this matter at the next meeting when the Treasurer will be in attendance.

Reimbursement of umpire costs at Australian Sides Championship

At the last meeting, it was agreed to contact BT seeking reimbursement of costs for any BTS umpires who are required to umpire at the Australian Super Sixes and Sides event to be held at South Burnie Bowls Club from 28 March to 3 April 2014. BT has advised that it will cover the travel and accommodation costs of any umpires that provide their services for this event, however, BT intends using local umpires as much as possible to minimise costs.

BTS Strategic Plan

At the last meeting, it was agreed to that BTS should develop a Strategic Plan with assistance from BT's Simon Morrison. Simon has agreed to assist and will fit in with a day and time to suit the BTS Board. It was agreed to have a Special Board Meeting on Monday 14 April 2014 at 4.30pm to start work on the development of the Strategic Plan.

Out-of-session agreement was reached by the BTS Board that the status quo option was a default option that could also be considered by Clubs.

It was agreed to refer both requests to the Treasurer and if he supports them it was agreed to approve the purchase of both laptops.

BTS MEN'S MATCH COMMITTEE REPORT

All championship events, with the exception of the Champion of Champions, have been completed successfully. Entries for the Champion of Champions close on Friday March 28 and the events will be conducted between the 7th and 17th April with the state finals being held in the north on 26-27 April.

Pennant finals are well underway and should complete on 5 April with the state finals to be played in the north on 12-13 April. Southern winners should be aware of the requirement for participating sides to be 3 teams of four (12 players only) (refer to pages 8 and 9 of the handbook for the conditions of play for state pennant finals).

BTS Umpires Panel Report to BTS - 17 March 2014

The Panel has had an interesting season. Reaccreditation of several Level 1 and Level 2 umpires were completed in September. Planning was commenced in October to offer new umpires courses but this didn't proceed. Bowls Australia have been working on a new structure for umpiring which is to include changes to training procedures. It is expected that the revised structure will be in place by 1 January 2015. In the meantime the bowls Tasmania Executive Officer and the Bowls Tasmania Board Chair has instructed the 3 regional Umpires Panels to put further accreditation and reaccreditation courses on hold until arrangements can be made to train presenters /assessors to oversee future courses.

As a result of these instructions the Panel's Accreditation Officer, Trevor Govey has resigned from the Panel. The Panel expresses its thanks for the valuable input he has made in maintaining the professionalism of the Panel.

The fallout from the BT instruction has also affected the State Umpires Committee with the resignation of Suzanne Rogers from the position of chair and Trevor Govey as the Southern Delegate. It is also understood that the Northern and North Western Delegates have resigned.

Another issue which has cause problems for this Panel is the Umpires Hat sponsorship from OPSM. In the negotiations with BT only 100 hats were provided to cover the more than 300 currently accredited Umpires in the State. The Panel received only 38 hats of various sizes. Some of these have been distributed to umpires who have recently officiated in BTS and BT events. The balance is held by the Panel pending a decision on how to distribute them.

There have been a small number of issues raised with and dealt with by the Panel including foot faulting and player registration.

Currently the Panel is organising the appointment of umpires to officiate at Pennant Grand Finals. During the season the Panel has provided umpires at various BTS and BT events. The Panel has also been asked to provide a small number of Umpires to officiate at the BA Sides event at South Burnie Bowls Club.

Southern Coaches Report for March 2014

Another season is over for most of our bowlers and we still don't have a Bowls Australia qualified person in the south to present and assess courses to qualify people as coaches. As a result, no coach's courses were run in the South this season. There is only one person in Tasmania according to Bowls Australia qualified to run these courses and she is based in Launceston.

We have a list of fifteen bowlers in the south who would like to do the Club Coaching course or the Selectors course so hopefully a course can be organised and run by Bowls Tasmania.

On a brighter note, some of the Southern Coaches panel members and I have visited several clubs this season to run coaching clinics for them. We have also been asked and run several one on one special bowls coaching sessions.

There is still the perception that bowlers think that after a year or two of playing they don't need coaching. Most other sports have more than one coach and have regular sessions where they train and practice not just turn up at the club, have a social game and a few drinks and then go home. Clubs and their committees need to change this attitude and get behind all their volunteers, Coaches, Umpires and members that work around their clubs and promote training.

This coming winter the Southern Coaches Committee will again be running two bowls coaching sessions on the first Sunday in each month in May, June, July, August and September 2014 at the Beltana Bowls club on their synthetic green. The first session is from 9 am to 12 noon and the second session is from 12 noon to 3 pm, these sessions are open to new bowlers through to division 1 bowlers. We will be covering everything from line and length to what shot to play and how to play that shot.

If your club would like to organise a coaching day for your members next season please fill free to give Ross Bannister a call on 0439 629 831 and we will organise a day to come to your club and run a session.

MEN'S SELECTORS REPORT

Bowls Tasmania introduced a new format to Statewide Pennant in 2013/14. The State side is no longer part of the pennant and all State players now represent their region. Statewide pennant is also now played in all regions rather than just in the North. The host region fields a second side to eliminate the bye and all sides must include at least three Under 25's. This initiative gives regions the opportunity to provide those players, particularly the younger ones, vying for higher representation the chance to showcase their skills against quality opposition. Selection may change with the introduction of a Statewide Under 25 and Under 18 pennant in 2014/15, as proposed by BT.

The Southern teams performed well without much success but the selectors in Michael Eiszele, Phil Hobbs and Grant Allford are hampered by some of our best bowlers making themselves unavailable for a variety of reasons. On the points table the South ran third behind the other two regions. BT is also looking to introduce new initiatives such as a Statewide Pennant for Over 60's. BA and BT recognise that the majority of bowlers are over 60 and funding and sponsorship is being made available. This initiative will inform the selection of future State Over 60 sides.

In conclusion BTS recognises the contribution made by Chairman of Selectors Jim Gardner who sadly passed away during the season and thanks Michael Eiszele for taking over managing the team.
