## **PRESIDENTS REPORT**

I am honoured to be given the opportunity to present to you my second annual report as President of Bowls Tasmania South. I am proud of the achievements of the members of the Board of BTS who have worked through a number of challenging issues during 2016-17, always acutely aware of the need to attain outcomes to the benefit of BTS' affiliated clubs and their registered members.

BTS is fortunate to have the services of Rob McGuire as its Secretary. Personally, I hold Rob in the very highest regard for his strong work ethic, and for the support he provides to me both as a mentor and a moderating influence upon my sometimes more radical opinions. During 2016-17 Rob has also undertaken the additional role of Acting Treasurer for an extensive period due to Tony Fulton's period of hospitalisation, convalescence and subsequent rehabilitation. Rob, as only could be expected, carried out the extra duties without any apparent disruption to his primary tasks of BTS Secretary for which I am extremely grateful.

Deputy President Shirley Hay has provided me with excellent support both as the second delegate to Bowls Tasmania's Regional Consultative Committee meetings, and as the Board's representative at BTS Women's Championship events. Recently, it was with great pleasure that I was able to welcome back Treasurer Tony Fulton to full participation in the Board's activities once more, after his extended absence caused by serious health issues. Tony has resumed his duties as Treasurer seamlessly.

A change to the BTS Constitution resulted in the replacement of the separate Chair of the BTS Men's and Women's Match Committees with a single BTS Match Committee and Chair. Board member, Ailsa Milburn, with assistance from Secretary Rob, has been responsible for the conduct of the draw for BTS Women's Championship events, whilst the BTS Match Committee Chair, Ross Bannister, aided by Craig Triffett and Max Banks, has undertaken the draw for the Men's Championship events. I am confident that the change to the structure has had no detrimental effect on the organisation of BTS Championship events and thank all for their excellent work.

Ross Bannister, as Chair of the Match Committee, has had the unenviable and difficult task of having to adjudicate on a number of contentious matters during 2016-17. Ross is to be commended on his strict adherence to the intent of BTS Conditions of Play, as well as for his unbiased, consistent interpretation and application of particular clauses of that document. At all times Ross has enjoyed the full confidence and total support from the Board for the decisions that he has made, after consideration of the circumstances of each particular case.

Nick Lee retired from the Board prior to BTS' Annual General Meeting in May 2016, to enable him to accept nomination as BTS' male director on the Board of Bowls Tasmania. Malcolm Salier has proven to be an excellent replacement on the Board providing sensible, reasoned advice and input. Board member Paula Hadley has been a strong advocate for issues concerning female bowlers, whilst also taking on roles as Board representative and umpire at various Bowls South and Bowls Tasmania events. I am most appreciative of Board member Ken Coppleman's strong advocacy for the fair and respectful treatment of registered players who are subject to a formal complaint necessitating the issuing of an Infringement Notice. Ken's initiative will result in a new policy in the areas of member protection, mediation and judiciary procedures for BTS, in readiness for the 2017-18 pennant season.

2016-17 saw the successful transition from the former BTS Umpires' Panel with the new BTS Officiating Panel. I am sincerely thankful for the work done by Leonie Price (Officiating Panel's representative on the BTS Board) and Helen Ducker for the work they have done this year organising the appointment of umpires for all BTS and Bowls Tasmania events conducted in the south.

It is a fact of life that, when issues of importance are discussed, a range of divergent opinions will be expressed. The final outcome of all discussions is that the opinion of the majority will prevail. That is the nature of a democracy and BTS is a democratic organisation. What saddens me most is when those who were in the minority continue to argue for their preferred position. To me, this is a waste of time and energy. If it is not possible to influence the decision, change your opinion (to that of the majority). That is the best course of action for both personal and organisational health.

I have a strong commitment to ensuring that, to the extent possible, BTS' affiliated clubs are given opportunities to participate in the decisions that are made which affect clubs and their registered players directly (for example Conditions of Play). This has happened during 2016-17 and there are a number of matters that have been forwarded to clubs for discussion and possible resolution at the Annual General Meeting.

During the 2016-17 bowls season a new Friday night competition, Friday Super Pairs, was included in BTS' program of events, with a two-fold aim of providing another means of promoting lawn bowls to the wider community, as well as providing another revenue stream for the participating clubs. Eight clubs participated in the inaugural event, with Buckingham the eventual winner of the eight week competition. A review of this competition will be conducted to determine if any changes to the format will be made prior to the 2017-18 season.

Unfortunately, our Southern Representative teams did not fare so well in the Veolia Statewide Challenge series this season, with only the BTS Senior Men's side winning their section of the competition. Of greatest concern is the lack of junior players (under 18 years) available for selection in the BTS Junior side which resulted in a number of forfeits during statewide competition, thus seriously affecting BTS' ability to defend the Veolia Statewide Challenge overall trophy won last year.

Congratulations to the Glenorchy City Bowls Club for being awarded the Fitzgerald Trophy for best-performed club for 2016-17. This is a superb effort by the Berriedale club and just reward for its sustained effort to increase player numbers.

After a near miss in 2015-16, the Kingborough Bowls and Community Club secured their first BTS Premier Division pennant, defeating Rosny Park in the Saturday Pennant Premier Division Grand Final at Howrah.

The Thursday Women's Division 1 Pennant was won for the seventh year in succession by Sandy Bay, an excellent result and testament to a combination of player retention, recruitment and sustained development of fringe players.

For a small country club, the most southern club in Australia, the Dover RSL Bowls Club continues to perform at a high standard, especially in Thursday Women's pennant divisions. Their Division 2 side has progressed from Division 4 three seasons ago, winning their pennant division each season as well as gaining promotion to the next higher division. Along the way they have also won the State Pennant in their division each year. This season Dover's Thursday Pennant Division 5 side also secured the BTS Pennant (and promotion to Division 4 for 2017-18).

Congratulations to the Geeveston Bowls Club's Saturday Pennant Division 1 side, the only other southern side to secure a State Pennant title. This is a significant achievement for another of our small country clubs. To all other pennant winners in each of the BTS pennant competitions, and particularly those sides which have won promotion to a higher division, congratulations for the completion of a very successful season.

Impressive individual efforts from Jeanette Lane (Buckingham) – RACT DL Reid Singles, Ingrid Makowski (Glenorchy City) and Milton Lowe (Howrah – BTS B Grade Bowlers of the Year, and Leonie Price (Kingborough) and Josh Baker (Glenorchy Rodman) – BTS Open Bowlers of the Year, were another highlight of the season. Lee Schraner (Rosny Park) topped off a year of individual success in not only winning his club's Open Singles title, but also the BTS Men's Open Singles, the BTS and then the Bowls Tasmania Men's Open Champion of Champions Singles titles.

BTS is fortunate to have a number of corporate sponsors that continue to provide financial and material support. DJ Motors (naming rights sponsor for BTS Saturday Premier Division, Men's and Women's Pennant, and DJ Motors Barefoot Champion of Champions Challenge), RACT (caps for BTS representative teams) and Wrest Point (supporting the purchase of uniforms for BTS representative teams) have each made significant contributions. BTS Junior Championship events continue to enjoy support from a wonderful benefactor, Doug Cole.

Complaints regarding continual changes to Conditions of Play have been received from a number of sources but, unfortunately, a little "tinkering" is sometimes necessary especially when unforeseen problems arise from the practical application of what was otherwise thought to be a sound idea. A review of Conditions of Play will occur over the winter months with a draft of the 2017-18 document available for discussion prior to the commencement of the next bowls season.

Overall, I have enjoyed my second term as President of Bowls Tasmania South, especially being involved with a group of people who strive to provide worthwhile and rewarding physical activity in their community. I am hopeful of your support to continue in this role in 2017-18.

Peter Kirby  
President

## **MATCH COMMITTEE REPORT**

The Bowls Tasmania South members of the Match Committee for the 2016-17 year were: Ailsa Milburn (Rosny Park), Rob McGuire (Buckingham), Craig Triffett (New Norfolk), Alan Barnes (Taroona) and Chairperson Ross Bannister (Derwent City).

I would like to thank the members of the committee for their help and co-operation throughout the season. The committee would also like to thank all the clubs involved in championship events and pennant finals for the use of their greens. Our committee once again tried to spread the championships around different clubs this season. Our thanks also go to the members of those clubs for their participation as markers, umpires and match managers in all events.

Congratulations to the winners of all of our championships and clubs that were successful in pennant finals as well as those that gained promotion with most bowls clubs playing non-gender players in the Saturday pennant.

The Men's Champion of Champions singles and the DJ Motors Southern Barefoot Bowls Champion of Champions event were both played at the Kingborough Indoor Centre. Thank you to Kingborough Bowls Club for running these events.

Saturday, Wednesday and Thursday pennants and some championships this year have seen more changes to our format and bowls clubs are and should always be trying to get players on the green. Some bowls club have had points taken off them and other clubs have had point awarded to them. The Chairperson of the Match Committee can only apply the rules that are in the Bowls Tasmania South Condition of Play and cannot deviate from them, good or bad.

Ross Bannister  
Chairperson  
BTS Match Committee

## SOUTHERN COACHES PANEL REPORT

Last winter on the first Sunday in each month from May through to September coaching sessions were held at the Beltana Bowls Club on their synthetic green. There were two training sessions 9 am to 12 pm and from 12 pm to 3 pm. On behalf of the coaches that assisted with the training, I would like to thank the Beltana Bowls Club for opening their club on these Sundays and making it available for coaching sessions and allowing members from other bowls clubs to come and use their synthetic green at no cost.

These winters coaching sessions have already been organised for this coming winter and will be at the new Howrah Indoor Centre starting on the first Sunday in May from 12 noon to 3 pm and finishing in September 2017. So come along and improve your game, it is open to everybody from beginners to Premier players. Bowls Tasmania South is covering the cost of the indoor centre so it is free to all participants at these coaching sessions.

The southern junior boys and girls also had training sessions over the summer month conducted by the Bowls Tasmania South Junior Manager and Coach Tom O'Brien at the Buckingham Bowls Club.

Our Southern Coaches Panel members are more than happy to travel to any bowls club that needs help in running or organising bowls coaching sessions. If any clubs would like to organise a coaching day all they have to do is contact the Southern Coaches Panel.

This year most of our southern coach's certifications will expire. It is very simple to be requalified as a club coach by having your bowls club write a letter saying that you have been actively coaching at your bowls club, fill out an application form, supply a photo copy of your working with vulnerable people card and watch the coaches den videos on the Bowls Australia web site. The re-certification fee is \$25.00 to cover the cost of a new certification card.

If your bowls club does not have qualified bowls coaches or your coaches certification has or is about to expire then you need to talk to your club's committee and arrange to get requalified. Every bowls club in the south should have at least two female and two male coaches in their club. If you would like to become a coach or know of somebody that would be a good lawn bowls coach please let Ross Bannister know and the Southern Coaches Panel can organise your registration through Bowls Tasmania for the next southern club coaches course.

Ross Bannister  
President  
Bowls Tasmania South Coaches Panel

## SOUTHERN OFFICIATING' PANEL REPORT

Following difficulties incurred in the previous season the BTS Board developed a document detailing the structure of the newly named BTS Officiating Panel. This document details the duties and responsibilities of the Panel and gives guidelines to enable members to achieve their goals.

The Panel started the season with two members, Leonie Price and Helen Ducker, who were both on the previous Panel. While operating efficiently there was a need to recruit more members and during the season other Umpires were assessed for their skills, techniques and attitude to their roles. Two new members have been added to the Panel, these are Lee Cowie from St Johns Park Bowls Club and Geoff Price from the Kingborough Bowls Club. The extra numbers will help to spread the work needed to be done by the Panel.

The Panel meets monthly following BTS Board meetings to discuss business arising that is relevant to umpires and to appoint umpires for upcoming BTS events.

Bowls Tasmania have created a State-wide Umpiring Panel which met once at the beginning of the season. It was thought that this Panel would conduct forums across the state which would make sure that umpiring decisions and skills in measuring would be uniform. Unfortunately this did not happen, we are hopeful that it will during the next season. In the meantime the Southern Panel conducted a forum which was very successful. Over thirty umpires, measurers and interested bowlers attended. It is the intention of the Panel to conduct regional forums in the Southern area next season.

Leonie Price as Chair of the Panel attended BTS Board meetings and wrote reports detailing the activities conducted by the Panel.

Over the winter months Helen Ducker represented the Panel on a working party for the BTS Conditions of Play document. This work will continue this winter as there are several areas in the Conditions of Play that need to be refined.

Helen Ducker has also worked diligently on updating the list of accredited umpires, measurers and markers. These lists can be found on the BTS website.

Ross Bannister has continued his sterling work as a 'Presenter and Assessor' and our thanks go to him for his commitment to this work. All clubs are to be encouraged to attend Ross' classes to become accredited or to update their skills and knowledge.

The Panel wishes to thank all those Officials that worked on either Pennant games for their clubs or on BTS and State Championships, without you chaos would reign!

We look forward to more bowlers becoming officials to keep this great game rolling on.

Leonie Price  
Chair  
BTS Officiating Panel

## MEN'S OPEN SELECTION REPORT

The BTS selectors for 2016-17 were Grant Allford, Alex Stanelos and Tony Hack. As selectors the emphasis was on seeing an improvement in the playing group from the previous year and, in general, it was pleasing to see an overall improvement in performance of the team over the three rounds of the Statewide Challenge. Compared to the other regions we continue to be frustrated by the lack of availability of some of the better players in the South but our emphasis on giving some of our young players a chance has started to reap benefits.

The first round of SWC was on the North West Coast and moved from Spreyton to Burnie Indoor Centre due to very wet weather. This added an extra inconvenience with additional travel in dangerous conditions. In the two games played BTS won four of the six rinks but lost both games due to one rink losing badly.

The second round was played at Rosny Park with the South giving a number of new players the opportunity to show their credentials in the South 2 side. South 1 won the first round but the South 2 side disappointed losing on all three rinks. In the second game South 1 won on two rinks but went down overall and South 2 put up a much improved performance before going down by a small margin.

The third round was played at North Launceston with the South scheduled to play the unbeaten North 1 side in the afternoon. The selectors made a change to the side promoting Josh Mabb to skip with Jarrod Long as his three. South defeated North 2 in the first game winning on 2.5 rinks and then defeated the strong North 1 side on two rinks in the afternoon.

South finished second overall behind North and Taelyn Male went through the three rounds of SWC undefeated as a skip.

Many thanks to Dennis Lourey as Team Manager and to BTS for their support and assistance.

Grant Allford  
Chairman of Selectors

## **WOMEN'S OPEN SELECTION REPORT**

Thank you to all the ladies who put their name forward for selection this season and to the Buckingham Bowls Club for allowing us the use of their green and facilities for the trials.

The first round of the Veolia Open Statewide Challenge was to be played in November 2016 in the North West but due to Spreyton being rained out on the Sunday, the women were transferred to Kings Meadow Indoor facility. The first session against the North-West 2 side resulted in a win on all rinks, however, the afternoon game proved more of a challenge against the North West.1 side with only one rink winning. The teams finished the day with an overall total of 16 points.

The second round was played in the South and we were looking to repeat our success, but it was not to be. Overall both teams had a very disappointing day scoring only 3 points.

The first game of the final round against North 2 at the North Launceston Bowls Club was very close with one rink losing by one shot and another by two shots, however, our ladies managed a very respectable 10-4 result. The afternoon game resulted in a 14-0 win against a very strong North 1 side with all our team members playing high standard bowls.

Thanks to our State Selector Leonie Price for her help and input into the trials and to our Manager Geoff Price for his assistance with the team.

Ailsa Milburn  
Selector

## **WOMEN'S SENIORS SELECTION REPORT**

A great day at the Port Sorell Bowls Club for the first round of the Veolia Senior Statewide Challenge with the Bowls South side getting away to a great start winning on all rinks against North West 2 and scoring maximum points. The second game against North West 1 proved to be a closer contest with the final result being 49 shots all. The Bowls South ladies finished the day with 22 points which was a very pleasing effort with all playing to their potential.

Claremont Bowls Club hosted the second round of the Senior Statewide Challenge. Conditions were excellent, but the final result was disappointing. South 1 could not manage a win against the North West in the first game and the afternoon game against the North proved to be the same result. The highlight of the day came from the overall performance of the South 2 side finishing with a total of 13 points and resulting in changes for the final round to be played in the North.

The last round was played at Kings Meadows Bowls Club on 7th March in perfect conditions and with the final chance for State selection in mind the team played well and won on all rinks in the morning against North 2. The afternoon game against North 1 proved more of a challenge with one rink winning by 18 shots, but it was not enough to cover the other two rinks.

Congratulations to all players representing the South and for the time and effort put in by selectors managers and coaches. Special congratulations to June Guy, Robyn Leggett, Sonia Martyn and Leonie Price for their selection in the Tasmanian Senior Team to play in South Australia in October.

Ailsa Milburn  
Selector

## **MINUTES – 2015-16 ANNUAL GENERAL MEETING**

**Minutes of the Annual General Meeting of Bowls Tasmania South, held at Derwent City Bowls Club commencing at 2.00pm on Sunday 29 May 2016.**

**Welcome:** The President, Peter Kirby, welcomed members to the meeting, especially Life Members Neil Clark, Tony Fulton and Joan Middleton, and advised that a quorum was present.

**Attendance and Apologies:** There were 32 delegates from 18 clubs and 17 others in attendance. Apologies were received from Bruny, Life Member Cath Smith and Board Members Ken Coppleman and Ailsa Milburn.

**Recognition of deceased members:** All members stood for a short period of silence in recognition of those members who had passed away during the preceding year.

**Minutes of last preceding AGM:** Moved Robert Davies Seconded Leigh McAdam that the minutes of the AGM held on 31 May 2015, as circulated, be accepted as read and confirmed.

Carried.

### **Annual Report and Financial Report:**

The President, Peter Kirby, spoke to his report, as published within the Annual Report, and expanded on some points. He particularly thanked Leonie Price and Helen Ducker for stepping in to arrange umpires for finals. He also mentioned the passing of our Patron Michael Johns and DJ Motors Tania Hinden during the year. Moved Peter Kirby Seconded Ross Howard “that the annual report be received”.

Carried

The Treasurer, Tony Fulton, presented his financial report and the audited financial statements. Moved Tony Fulton Seconded Ross Howard “that the audited financial statements be adopted”.

Carried.

### **Recommendations from the Board:**

**Appointment of Patron:** The Board has decided to wait for a period of time before appointing a new Patron in respect to the passing of its previous Patron, Michael Johns.

**Appointment of Auditor:** Moved Tony Fulton Seconded Robert Davies that Rendell Ridge of Max Peck & Associates be re-appointed as auditor.

Carried.

**Affiliation Fees:** Moved Tony Fulton Seconded Doug Lowe that affiliation fees for 2016-17 for adult members be increased by \$5.00 to \$72.00, that the affiliation fee for juniors be increased by \$3.00 to \$36.00, that the registration fee of \$50.00 per team remain unchanged and that entry fees for BTS Championships be increased by \$2.00 to \$10.00.

Carried.

Concerns were raised by Diane Willett that the increase in junior affiliation fees may impact negatively on attracting new juniors to lawn bowls. It was agreed to raise this matter with Bowls Tasmania.

David Back suggested that BTS should consider introducing a concessional affiliation fee for under 25 members for 2017-18 and should canvass Bowls Tasmania for the same.

**Honorariums:** Moved Tony Fulton Seconded Ray Headlam “that Honorariums and Allowances for 2016-17 be as follows:

President Expense Allowance	\$600	
Deputy President Expense Allowance	\$300	
Secretary	\$10,000	
Executive Assistant	\$1,000	
Treasurer	\$3,000	
Statistician	\$5,000	
Assistant Statistician (Results)	\$500	
Men's Match Committee (Chair +3)	\$800	
Women's Match Committee (Chair + 1)	\$600	
Green's Advisor	\$200	
Publicity Officer	\$250	
Coaching Panel Expenses (Chair + 2)	\$200	
Umpires Panel Expenses (Chair + 2)	\$600”	Carried

#### **Motions Received from Clubs:**

**Geeveston** – Moved Liz Rickards Seconded Mick Rodwell “that Bowls Tasmania set the competition rules so that all regions in the State are under the same format”.

##### Rationale:

The three regions all play different formats at present and when playing one another as happened in recent finals, one side had to miss out. Other discrepancies are the number of ends i.e. A Grade 25 ends, B Grade 21 ends. Therefore if there was a uniform set of rules this would not occur.

Carried

**Geeveston** – Moved Mick Rodwell Seconded Liz Rickards “that the non-gender rule should encompass all competitions and divisions”.

##### Rationale:

At present men are allowed to play in Division 3 and below in Thursday Pennant but not in the top two Divisions.

Not that many of Geeveston's male members wish to play on Thursdays but there are times during the season when there is a lack of players and there are only three men allowed in a division (although some clubs have dispensation for extra men). Women are allowed to play in all divisions on Saturdays but we believe it is discrimination for the Thursday games. A Club in Division 2 this year had a man in their team. Geeveston believe there is an argument that the non-gender rule be applied in all grades.

Lost

### **Appointment of Office Bearers:**

President: 1 nomination – Peter Kirby

Deputy President: 1 nomination – Shirley Hay

Secretary: 1 nomination – Rob McGuire

Treasurer: 1 nomination – Tony Fulton

Executive Assistant: 1 nomination – Paul Hoddy

Board members: 5 nominations – Ken Coppleman, Paula Hadley, Nicholas Lee, Ailsa Milburn and Malcolm Salier. Nicholas Lee subsequently withdrew his nomination as he has been appointed to the Board of Bowls Tasmania and cannot also be a BTS Board member.

All the above nominations were elected unopposed.

The Annual General Meeting was then closed at 2.40pm and President Peter Kirby invited members to participate in a post meeting discussion.

Confirmed ..... President: ..... / ..... / 2017

## **Matters discussed at post meeting discussion chaired by President Peter Kirby:**

**Selection of Greens for Finals:** Ross Howard (Brighton) queried the process of selecting greens for finals. Ross believes that it is important that smaller Clubs with good greens be allocated finals to get the additional revenue that they raised.

**Format of Midweek Pennant 2016-17:** Jeff Maughan (Glenorchy Rodman) raised concerns at the format of Midweek Pennant 2016-17 to change Saturday Pennant Division 2 players to A Grade for Midweek Pennant. The BTS Board at its meeting in May 2016 reversed its decision of February 2016 namely that for Midweek Pennant, B Grade will be deemed to be Saturday Pennant Division 3 and below. Accordingly for Midweek Pennant 2016-17 (and also for BTS Men's B Grade Championships) B Grade will be deemed to be Saturday Pennant Division 2 and below.

**Number of rinks for Saturday Pennant Divisions 5, 6 and 7:** Dennis Lourey (Howrah) asked where BTS is at regarding the number of rinks for Saturday Pennant Divisions 5, 6 and 7. At its meeting in February 2016, the BTS Board determined that Saturday Pennant Divisions 5, 6 and 7 would be three rinks for 2016-17, however, Howrah and Ouse subsequently advised that they will be adversely impacted by such a decision. The BTS Board has agreed to contact all Clubs that will have a team in Saturday Pennant Division 5 in 2016-17 and ask them whether or not they would prefer three or four rinks and why. Saturday Divisions 6 and 7 will be three rinks in 2016-17.

**Results in "The Mercury":** Judy Maughan (Glenorchy Rodman) raised concerns about lack of coverage of other than Premier Division and Women's Division One in "The Mercury", the lack of photos and the lack of results in "The Mercury" in the past season. Rob McGuire advised that "The Mercury" had reduced its allocated space for lawn bowls in recent years and there was simply not enough space to report on anything other than Premier Division and Women's Division One. "The Mercury" does not have enough photographers to take photos to accompany lawn bowls results in "The Mercury". The BTS Statistician now prepares separate results on all Divisions and submits these to "The Mercury" and these are regularly published.

**21 or 25 ends for Saturday Pennant:** Craig Griggs (Kingborough) asked how many ends would be played in Saturday Pennant in 2016-17. At its meeting in May 2016, the BTS Board agreed that all Divisions in all Pennants will be 21 ends.

**Entry of teams into IMG Database:** Leigh McAdam (Glenorchy City) commented that in future it would be good if Clubs entered all their teams into the IMG database so that results could easily be entered and player eligibility could also be checked by anyone.

**Clearances:** Craig Triffitt (New Norfolk) suggested that players should be able to play with whomever they wanted without the need for a clearance. Peter Kirby advised that Clubs are required to obtain clearances for players coming from other Clubs and must submit them to BTS before being the players are allowed to play with their new Club.

**Anti-Discrimination Commission:** Rob McGuire provided an update on Sandy Bay's complaint to the Anti-Discrimination Commission in regard to non-gender specific pennant restrictions and the complaint from Glenorchy City in relation to Sandy Bay playing an ineligible woman in its Saturday Pennant Division 6 game on 28 November 2016. A meeting has been scheduled by the Anti-Discrimination Commission for Thursday 2 June 2016 to try and resolve the complaint.

Peter Kirby thanked Derwent City for the use of their Club for the meeting. He also thanked everyone for attending and wished them all the best for the coming season.

Meeting closed at 3.12 pm.
